

Student "Care Packages"

The United Methodist Women will be packing student "Care Packages" at the end of November and needed as usual are: pencils, pens, markers, granola bars, wrapped candy, popcorn, tea, coffee singles and cocoa. The students especially enjoy the homemade cookies and brownies. (please be sure these are securely wrapped).

We also need names of students so we can make sure all children of church families are included. Even graduate students.

Please see Virginia, Sherry or Roxie with names you may have or you may contact the church office at (584-5935) and leave a message with your name and phone # along with the name of your student & proper mailing address.
